Course Number	Course Title	Term Taken	Credits	School (Transcript Req'd)

NOTE: Students with a CIH and/or CSP certification may apply six credits toward the online degree. In addition, alumni from the Montana Tech undergraduate Safety, Health and Industrial Hygiene program who have completed three or more of the core course requirements may waive three credits toward the online degree.

Graduate Advisory Committee

The Committee will comprise the examining body for the student at the completion of the course requirements. The Chair should be the Program Director but may, at the student's discretion, be selected from the faculty instructing industrial hygiene courses. At least three members are required. The student is responsible for asking committee members to serve and attaching verification from the committee members to this form, either as an e-mail or written acceptance.
