

**Montana Tech Transfer Credit Petition
 Application of Graduate-Level Courses to Graduate Program**

Per Montana Tech Catalog:

Up to nine (9) credits taken in other graduate schools may be applied to graduate programs at the College, subject to the following requirements:

- The course must be acceptable for graduate credit at the school where it is taken.
- It must be applicable to the student’s graduate program as determined by the Graduate Committee.
- A “B” grade or better must have been earned. No “C” or “P” grades will be accepted for transfer graduate credit. Application for exception must be submitted to the Graduate Council.
