COMMENCEMENT SPEAKERS

Maria Ralph '21

*Bachelor of Applied Science in Business,
Construction Management*

Maria is a non-traditional student who calls Butte home. She decided to pursue her love of building and construction by attending the carpentry program at Highlands College, where she received her associate's degree in 2019. She loves her tight-knit Butte community, its history, and architecture. Maria has recently started a small home repair business with all the confidence and skill instilled by her education at Montana Tech.

Jon Wick '12

Owner, 5518 Designs

In 2012, Jon started 5518 Designs, a branding, graphics, and print design company proudly based in Butte. Through client work and side projects, he developed a unique 5518 style of graphics that emerged out of his love of traveling, adventure, and the inspiration gained from time spent exploring.

Jon was diagnosed with Rectal Cancer at 33 years old. That experience reinforced his creative direction to both escape society's complexity and encourage others to find their passions and see value in life's simplest forms.

In 2016, 5518 Designs expanded into a retail location at 27 N. Main Street in the heart of uptown Butte, offering their brand of outdoor and recreation-inspired apparel, custom merchandising packages, and creative business solutions. The business has taken off in a short time and is a popular destination for both locals and visitors. The summer of 2021 saw the expansion of 5518 to a location in Anaconda.

In addition to running the business, Jon and Cassie Wick are very active in the community and have hosted and sponsored many causes and fundraisers for those in need. Jon has spent time as the Executive Director of Mariah's Challenge, a presenter at the Innovate Montana Symposium, and a board member of the St. James Foundation and the Butte Parks and Trails Foundation.

Wick has been awarded the 2013 Butte-Silver Bow Moving Mountains Award and was named a Distinguished Alumni of Montana Tech in 2015. Jon was honored with the 2016 BLDC Young Professional of the Year award and 2018 Montana Standard 20 under 40 recipient. This past August, Jon and Cassie were awarded the Montana Entrepreneurs of the year from the Montana Ambassador program.
