COMMENCEMENT SPEAKERS

Robert Hogan '22

M.S. in Mining Engineering, Monroe City, MO

Robert Hogan has twenty years of operations experience in various mining industry sectors and is currently the Project Manager for Blackjack Silver. His experience includes working in surface and underground mines throughout the United States. Robert began working on his master's degree in Mining Engineering in August 2021. Robert completed a bachelor's degree in Mining Engineering with a specialization in Geological Engineering from Southern Illinois University Carbondale in May 2003.

Courtney McKee

Co-owner, Co-founder, and CEO of Headframe Spirits and Headframe Spirits Manufacturing

Courtney McKee is the co-owner, co-founder, and CEO of Headframe Spirits and Headframe Spirits Manufacturing in Butte, MT, two Montana B-Corporations. Headframe Spirits produces distilled spirits and operates a Tasting Room while its Manufacturing counterpart designs and builds high-tech distillation equipment for distilleries worldwide. Courtney's two highest values are Community and Courage, and she brings them to the planning and execution of all her work. She

formerly served on the American Craft Spirits Association board and continues to co-chair their Education Committee. She also recently co-chaired the DISCUS Academy Curriculum Working Committee and helped develop the DISCUS Academy Leadership Program.

Courtney is married to John McKee, her partner in business and shenanigans. Together they were awarded the 2013 Montana Entrepreneurs of the Year award, the 2015 Montana Tourism Ambassadors of the Year award, and the 2015 Grant Project of the Year for The Orphan Girl Film. Courtney is the mom to two amazing kids, Tuesday and Cooper. The world is better because they're in it.
