121ST COMMENCEMENT CEREMONY

BUTTE CIVIC CENTER | BUTTE, MONTANA | APRIL 24, 2021 | 9:00 A.M.

A MESSAGE FROM CHANCELLOR COOK

Congratulations, graduates! Today we celebrate you and other Orediggers who have excelled through some of the most unique and trying challenges in modern history. From transitioning to online classes last spring to remaining vigilant with our request to follow OrediggerRX protocols this year, I know it hasn't been easy.

But because of your fierce resolve and tenacity, we made it! You found new ways to do things, like the first-ever 3-Minute Thesis and a Women's Empowerment Day celebration that connected students and resources campus-wide. You helped clean up our community by participating in Montana Tech's first "Make a Difference Day," and you supported your peers by starting a food pantry on campus. You volunteered at the COVID vaccine clinics and in so many more ways across our community.

You excelled in the classroom and the lab. You were the recipients of Goldwater, Newman, and many other scholarships. You were on the honor roll, dean's list, and chancellor's list, and you led the Frontier Conference in Academic All-Conference selections.

And you had fun. You skied at Discovery, biked Big Butte, played your share of cornhole, rode a bed down Park Street, and cheered on the Diggers. You demonstrated to others how to tailgate the right way, and you showed there are many ways to get down a hill without a traditional sled!

To your family and friends, we are grateful to have you here. No one gets through a degree on their own. Your contributions matter to your student and to us.

As you go out into the world, know that we are proud of you, and we look forward to your success. Please stay connected, be healthy, keep Montana Tech in your heart, visit us often, and continue to be the amazing individual you are today.

With gratitude and best wishes,

Les P. Cook

A MESSAGE FROM ASMT

Congratulations to the graduating classes of 2020 and 2021. You have faced many obstacles to get where you are today. With the skills that you have acquired, your futures are bright with possibilities.

As a Montana Technological University graduate, you have become part of a larger community of alumni, faculty, and staff. Remember to use this community in future endeavors. You will find that your peers are going to be your greatest resource. You will be innovators, healers, scientists, and Orediggers. Go out and achieve your goals and be kinder than necessary.

ASMT wishes you the best in your new adventures.
