Topic of Discussion- MAS and BOR in March, we found out yesterday that it will be Wednesday, March 9 at 4:30 p.m. in Dillon, recommend senators attend if possible, we need a head count tonight, does anybody want to go?

-Maria, Isaac, Baylie, Sammi want to go

Does Maria still want to bring up the student affairs survey information still? It is possible to bring it up to MAS to get feedback from other schools. Maria wants to do bring that information to everyone's attention.

No other questions/comments.

6. Vice President's Report

Montana Tech Alumni Association- we met last week, they talked about some events they were putting on, barely met quorum, used \$5,000 for the distinguished Alumni Event last semester, mentioned a Golf Tournament for Alumni, they want to get the attention of more recent graduates, many of their people have also quit and as a result they are confused on certain processes due to the lack of bodies, there are different alumni chapters throughout the country, they are trying to hire on an alumni to the board but assume that the salary is an issue regarding that position
