### 5. President's Report

**Spring Commencement- Janet in enrollment email, figuring out speaker for spring commencement, outline of speech is due April 8, do we want to read over them and select them again, general consensus says yes**

**Topic of Discussion- Recruitment of freshmen to come here**

- **Maggie, Butte Native, didn't receive anything**
- **The NHS of Butte High asked Baylie to tell them to take Dual Credit Classes, the seniors I talked to said Dillon, MSUB, MSU, UM, and Havre have all come to speak to the senior class to recruit, not one person from Tech**
- **Tech Days VS DiggerCon, there was no explanation of the difference between the two events and were not told how to register, Shelby Baker said they haven't had a lot of people register because they are asking them to call enrollment services (only if they email them to ask)**
- **Graduates have received 3 emails total, not much outreach**
- **Kevin heard about it from family, Maria knew someone who went here, Evan heard from family (lives in Montana), Maggie lives here, Isaac heard from Career Counsellor in high school, Taylor lived here and parents went here, Brie lived here and didn't receive anything until she applied/signed up, same for Baylie and Sammi**
- **Cheap, local, engineering, small, in-state, job placement,**
- **Maria is a transfer student, her processes were different, she had to ask about processes because they didn't make it clear, doesn't think she ever actually received an acceptance letter**
- **Needs to revamp their entire process, students talking is one of the best ways to reach out, earlier the better**

## 6. Vice President's Report

**MAS/BOR Update- Joseph Teal works with OCHE, they are trying to putt every school in MUS under one learning system, looking for student representatives from each campus to give their input, Student Regent Selection, looking 3 to 4 people to work at the governor's office, forming a committee to be in charge of the process, any student can be involved, application requires resume, cover letter, personal statement, 4 letters of recommendation (3 from admin, 1 from student)**

**The upcoming MAS Meeting at 4:30 in Dillon Wednesday the 9<sup>th</sup>, we will not be attending BOR**

**Rail jam in Bozeman brought in 2,000 people among other campus updates**

## 7. Treasurer's Report

### d. Student Affairs

- Met Monday, finalized survey questions, will send it out Monday, we will present it next week at the MAS, let's send it out with an

incentive about drawing for the iPad, put it in the weekly lineup as well as a separate email, let Gia know to put it on the Socials

## 9. New Business

- a. Liam absence- he has stepped down from Parliamentarian and ASMT as a whole, one senator short, Executives do not want to do more outreach, what do you think?

Maggie- can we get rid of the Parliamentarian position? It has failed twice now, I do not think it is needed.

Maria- I do not think that the experience was good

Kevin- it is good to take pressure off executives, Baylie agrees

Treasurer- the position did not assist in my job

President- it was more work for me to give them something to do, I do think having an extra person if it's the right person, could be helpful, meeting minutes as an example

Vice President- Parliamentarian position two people have stepped in in the one year that it has existed, hard to gauge what the position brings when it works, to pay the person to do the job (using student fees), does it bring enough to the table to be okay with using that money for a position like that, the entire process takes weeks, does it make it worth it? If it works, great.

Too late to have someone hop into the position. Yes, midterms and spring break.

Kylie- can anyone apply even after the deadline? Yes, with fifty signatures

Kevin- not worth the outreach, unless someone wants to do it

Caleb- do we need to vote on it?

Kevin- I do not think so

Maggie- can we leave the position open? Yes.

Caleb- it is whether you see the need to have the position filled

Kevin- put it off till until someone is willing to put the work in

Fill Rick in after Spring Break

Table the discussion till after spring break
