

Disability Services Vaccination Exemptions

General Admission

All students applying for admission to Montana Technological University must submit proof they have had 2 doses of the Measles, Mumps, and Rubella (MMR) vaccine.

International Students

In addition to 2 doses of the MMR, international students applying to Montana Tech must submit proof of the following vaccines: Diphtheria, Tetanus, and Tuberculosis.

Tuberculosis tests must be completed within one year of the start of the admission term. I-20s will not be issued to international students until Montana tech receives their complete immunization record.

Nursing

Students applying to the Nursing program at Montana Tech, in addition to the above vaccinations, must also submit proof of the following vaccinations: Tdap (Tetanus, Diphtheria, and Acellular Pertussis), Varicella (chickenpox), Hepatitis B Series, Tuberculosis, COVID-19, and annual (fall) Influenza vaccine.

The Tdap vaccinations must not be older than 10 years. Students must have completed 3 dose series or gained a positive titer of the Hepatitis B Series vaccinations. 2 doses, a positive titer, or an official history of chickenpox are required for the varicella vaccine.

Radiologic Technology (RadTech)

Students enrolling in the RadTech program at Highlands College, in addition to the above vaccinations, must also submit proof of the following vaccinations: Hepatitis B Series, COVID-19, and Varicella (chickenpox).

Students must have completed 3 dose series or positive titer o of the Hepatitis B Series vaccinations. 2 doses, a positive titer, or an official history of chickenpox are required for the varicella vaccine.

Exemptions
