

* * * MEMORANDUM * * *

TO: Frank Gilmore, Susan Patton

FROM: Rick Appleman

DATE: September 24, 2001

REGARDING: New Faculty Positions

* * * * *

The Faculty Senate met on Friday, September 21 and unanimously approved the following:

The Faculty Senate requests that the promotion of four Tech personnel into new tenure-track Assistant Professorships be delayed one year and that a formal search for each of these positions be conducted. The Faculty Senate would like to make it clear that our objection to these promotions concerns the procedures being followed and not the personnel concerned.
