- **Business**

The minutes of the March 24th meeting were approved.

- **Issues to present to the Administration**

The meeting focused on several issues that members of the Faculty Senate brought forth as items the Senate should consider providing to the Administration as issues that require some kind of plan or action by the Administration. Some of the issues stem from both real and anticipated increases in class size and student enrollment, and the likelihood that budgets will continue to be tightened. At the end of the meeting, the discussion was incomplete, and a list and priority of issues had not been established. Therefore, the discussion will continue at the next meeting.

The Senate group adjourned at approximately 5:00 pm.

NEXT MEETINGS:

1. The next regular meeting is scheduled for 4 PM, Wednesday, April 28th.

Respectfully submitted,

Kirk Waren
Secretary
