

Chad,

Attached please find two draft academic calendars for the 2015-16 academic year. The calendar in the first attachment is very similar to what has been done the past two years. The second attachment (alt.docx) contains a draft spring semester that is a little different from what has been done in the past (no spring mini-break (travel day for Easter), no “study day” before finals start, etc.).

I look forward to input from the Faculty Senate on these two draft calendars.

Best,
Doug
