### HOUSING INFORMATION

Learn more about Residence Life and our three residence halls Prospector Hall, Centennial Hall, and the Living Learning Center on our website at [www.mtech.edu/housing](http://www.mtech.edu/housing).

Select **Residence Hall Options** to learn more about each hall, view floor plans, take a virtual tour of each hall, and see the different room types including: singles, doubles, and suites.

Select **Meal Plan Pricing** to learn more about on-campus dining options.

### APPLYING FOR ADMISSION

Applying is easy and free! We recommend applying the year prior to when you plan to enroll, so you have plenty of time to make plans and can be considered for any scholarships you may be eligible for.

ACT/SAT scores are optional for an admissions decision. However, they are used to determine course placement.

For more information visit [www.mtech.edu/apply](http://www.mtech.edu/apply).

### TAKING THE NEXT STEPS

If you've been accepted, congratulations!

1. Check your personal URL (PURL) and email for updates.
2. Apply for housing on your PURL.
3. Apply for any scholarships you're eligible for on your PURL.
4. The 2025-26 FAFSA is available for you to complete at [www.fafsa.gov](http://www.fafsa.gov). The priority deadline to apply for financial aid at Montana Tech is February 1; we continue processing through the academic year.

Questions after Tech Day? Contact your Admissions Representative listed on your personal URL (PURL) or contact the Admissions Office at (406) 496-4791 or [admissions@mtech.edu](mailto:admissions@mtech.edu).
