

Denver SPE 2020-2021 Scholarship recipients

One of the programs of the Denver Section of SPE is the enrichment of students currently pursuing a Petroleum Engineering degree. I am pleased to announce the SPE Denver Section scholarship committee has approved several students from Montana Tech to receive an award.

Denver SPE 2020-2021 Scholarship recipients are: sitting next to the Petroleum Department Head – Todd Hoffman is Courtney Piccin a Post-Baccalaureate from Red Lodge, Montana. She will graduate in May 2022. Standing left to right are Seniors Hunter Spartz - from Green River, Wyoming and Seamus Lucostic – from Missoula, Montana, both will graduate in December 2021.

This year the Denver Chapter dispersed \$20,000 in scholarship money for the 2020-2021 school year. This amount was shared between 26 students from the Colorado School of Mines, Montana Tech, New Mexico Tech, University of North Dakota, and University of Wyoming.
