

## **Call for Spring 2020 RAMP Project Proposals**

The Undergraduate Research Committee is pleased to open the call for proposals for the Spring Session Research Assistant Mentorship Program (RAMP). This program is for freshman, sophomore, and junior-level researchers (less than 90 credits of completed coursework) that have not participated in formal URP funded research before. Ideally full-time faculty members will assemble teams of 3 researchers for spring semester research projects.

Proposals (3 pages max) should be drafted by faculty mentors and submitted to [urp@mtech.edu](mailto:urp@mtech.edu) no later than **12 p.m. (noon) on Friday November 22, 2019**. Full details for proposal submission, and the required cover page are attached. No late proposals will be accepted.
