Public Comment:

Welcome Madeline! She is great, worked in housing for a while and is now our new director of campus life. Still looking for an assistant for her. Madeline will be extremely supportive, and she is a positive presence who wants to help us 😊

Madeline is willing to actually be helping!

President Report:

None for today!

Vice Report:

Succulents and pep rally tomorrow, let Quinn know if you are available to help out
Thursday we will need some help with art show

Treasurer:

Quin jumps out of chair to present budget

Shows numbers for what was budgeted last year and found that we have \$5,000 more than expected

Recommended to split between Campus and Community and General

Maggee likes that idea, Andy asks about contingency but it is not a concern.

Drew asks why not all general, Quin and Quinn justify by having it there proactively as opposed to going through the process of moving it later

Approval of the budget for the year, All in favor, Motion passes

Committees:

Campus and Community:

Food Pantry: talked about thank you cards, food wars, potentially doing food wars, posters made by November- Prize 1st \$1000, 2nd \$500, between clubs and departments, work with res life for haunted house (cans for admission)

Student Affairs: Brought up career fair and parking, but parking issue takes precedence, is there a way to calm down the ticketing

Possible meeting with Laine and Erik, possibly relocating dorm overflow to gravel lot instead- figure out who to go to

New Business:

Asking people to move cars from street behind HPER, there are no, no parking signs.
