Public Comment:

Layton and Drew- Thoughts on HPER gym- IMO there have not been any improvements to the gym in at least 5 years. Equipment is extremely faulty and in need of many upgrades. Dumbbells, cables, benches, squat racks, bolts for bearing on leg extension machine, etc all in need of improvements.

It is clearly not sanitary, not sure when things get cleaned up, and are curious about where fees are going as this seems to not have improved.

Issue for at least 5 years, at some point we just need to be the change. At some point someone needs to be held accountable.

Recommendation to reach out to Ron Muffick and Carleen Cassidy to figure out exactly where the fees are going to if not cleaning and maintaining the HPER. (Exec. group to reach out)

Ask about parking fee as well.
