

# Student Health Insurance Plan

## for University of Montana (Montana Tech)

### Welcome to AcademicBlue, your Student Health Insurance Plan

#### Who can enroll?

If you are a student enrolled for six (6) or more credits at a participating campus, you are eligible for the insurance.

This insurance will begin on the first day of the semester provided that the payment is made as required.

**All Campuses:** Students who have enrolled for six (6) credits or more will automatically be enrolled for the entire semester. Students may waive coverage at the time of registration for classes for each Fall and Spring semester if they have alternative insurance coverage. The insurance fee will be assessed each semester. Paying for the Spring semester will cover the student through the following summer.

**International students**, regardless of their number of credits, are required to have health insurance coverage.

As noted earlier, students enrolled for less than six (6) are not eligible for the Student Health Insurance Plan. Exceptions must be approved by the campus student health service or other campus office responsible for student insurance.

If you do not waive coverage by the end of the 15th day of classes, the premium will be charged to your student account.
